SENIOR CLASS HISTORY

It was September 1, 1936, and the freshmen class met for the first time as high school students of Seaton High School, and all had looked forward to the four years of school to follow.

Our freshman class was made up of twenty-two members who were as follows: Junior Greer, Boyd Henry, Lawrence Shike, Jack Keilman, Bob Greer, Norma Scott, Betty Douglas, Ruth Rickotts, Mary Garland, John Kessinger, Hayse Greer, Chester Gordon, Billie Root, Zella McIntyre, Dorothy Smith, Marvin Clark, John Thompson, Martha Kuglar, Lyle McCaw, Charles McKay, Orin Rickotts, and Virgil Johnson. This class was one of the largest in school although in the four years we lost a few of the members.

As it is customary for all freshmen to be initiated, we received ours on September 18, 1936. The initiation was sponsored by the three upper classes of the school. Also during the year we were invited to a hard-time party given by the sophomore class, and on January 16 we had a sliding party.

Our class was well represented in music and literary events by Junior Greer and Boyd Henry. Both boys entered vocal contests and Boyd received third in piano. The class was well represented by others in music also.

Some of the freshmen did very well in baseball, basketball, and track. Lawrence Shike won his first letter in basketball. The class had some very promising material for future teams.

The freshman class officers were as follows: Hayse Greer, president; Norma Scott, Vice-president; Billie Root, secretary and treasurer; Boyd Henry, class reporter; Mary Garland, assistant reporter. The class advisor was Mr. Sperry.

As we hailed into class the fall of "37" our class roll call was answered by Junior Greer, Boyd Henry, Lawrence Shike, Jack Keilman, Bob Greer, Norma Scott, Betty Douglas, Ruth Rickotts, Mary Garland, John Kessinger, Hayse Greer, Virgil Johnson, Dorothy Smith, Marvin Clark, John Thompson, and a new member, Glen Blythe.

The class officers were as follows: Lawrence Shike, President; Glen Blythe, vice-president; Junior Greer, secretary and treasurer. Our class advisor was Miss Kooster.

The junior class was made up of sixteen members as they answered the roll call; Lawrence Shike, Chester Gordon, Virgil Johnson, Ruth Rickotts, John Thompson, Orin Rickotts, Marvin Clark, Junior Greer, Jack Keilman, Hayse Greer, Boyd Henry, Billie Root, Bob Greer, Mary Garland, and Glen Blythe. In the latter part of the year we had a new member in our class. James Unsworth blew in from Little York.

On May 5th, of '39 we entertained the seniors at our Junior-Senior Banquet at Hawcock's cafe in Monmouth, and after the banquet we attended a movie, "Oklahoma Kid".

This about concluded the activities of the class in the year of 1938-39.

In the fall of 1939 the class came back to its last year of school in the old high school. The fourteen members were as follows: John Thompson, Marvin Clark, Boyd Henry, Jack Keilman, Ruth Ricketts, Mary Garland, Junior Greer, Lawrence Shiko, Bob Greer, Hayse Greer, Chester Gordon, James Unsworth, Glen Blythe, and Billie Root.

The class officers were Glen Blythe, president; Lawrence Shiko, vice president; Jack Keilman, secretary and treasurer; class advisor, Mr. Renwick.

During the year we were well represented in music and Marvin Clark and Mary Garland were out for literary events. We were also well represented in sports; baseball, basketball, and track. The varsity squad of the basketball team which won the Little Nine Trophy was mostly made up of senior boys.

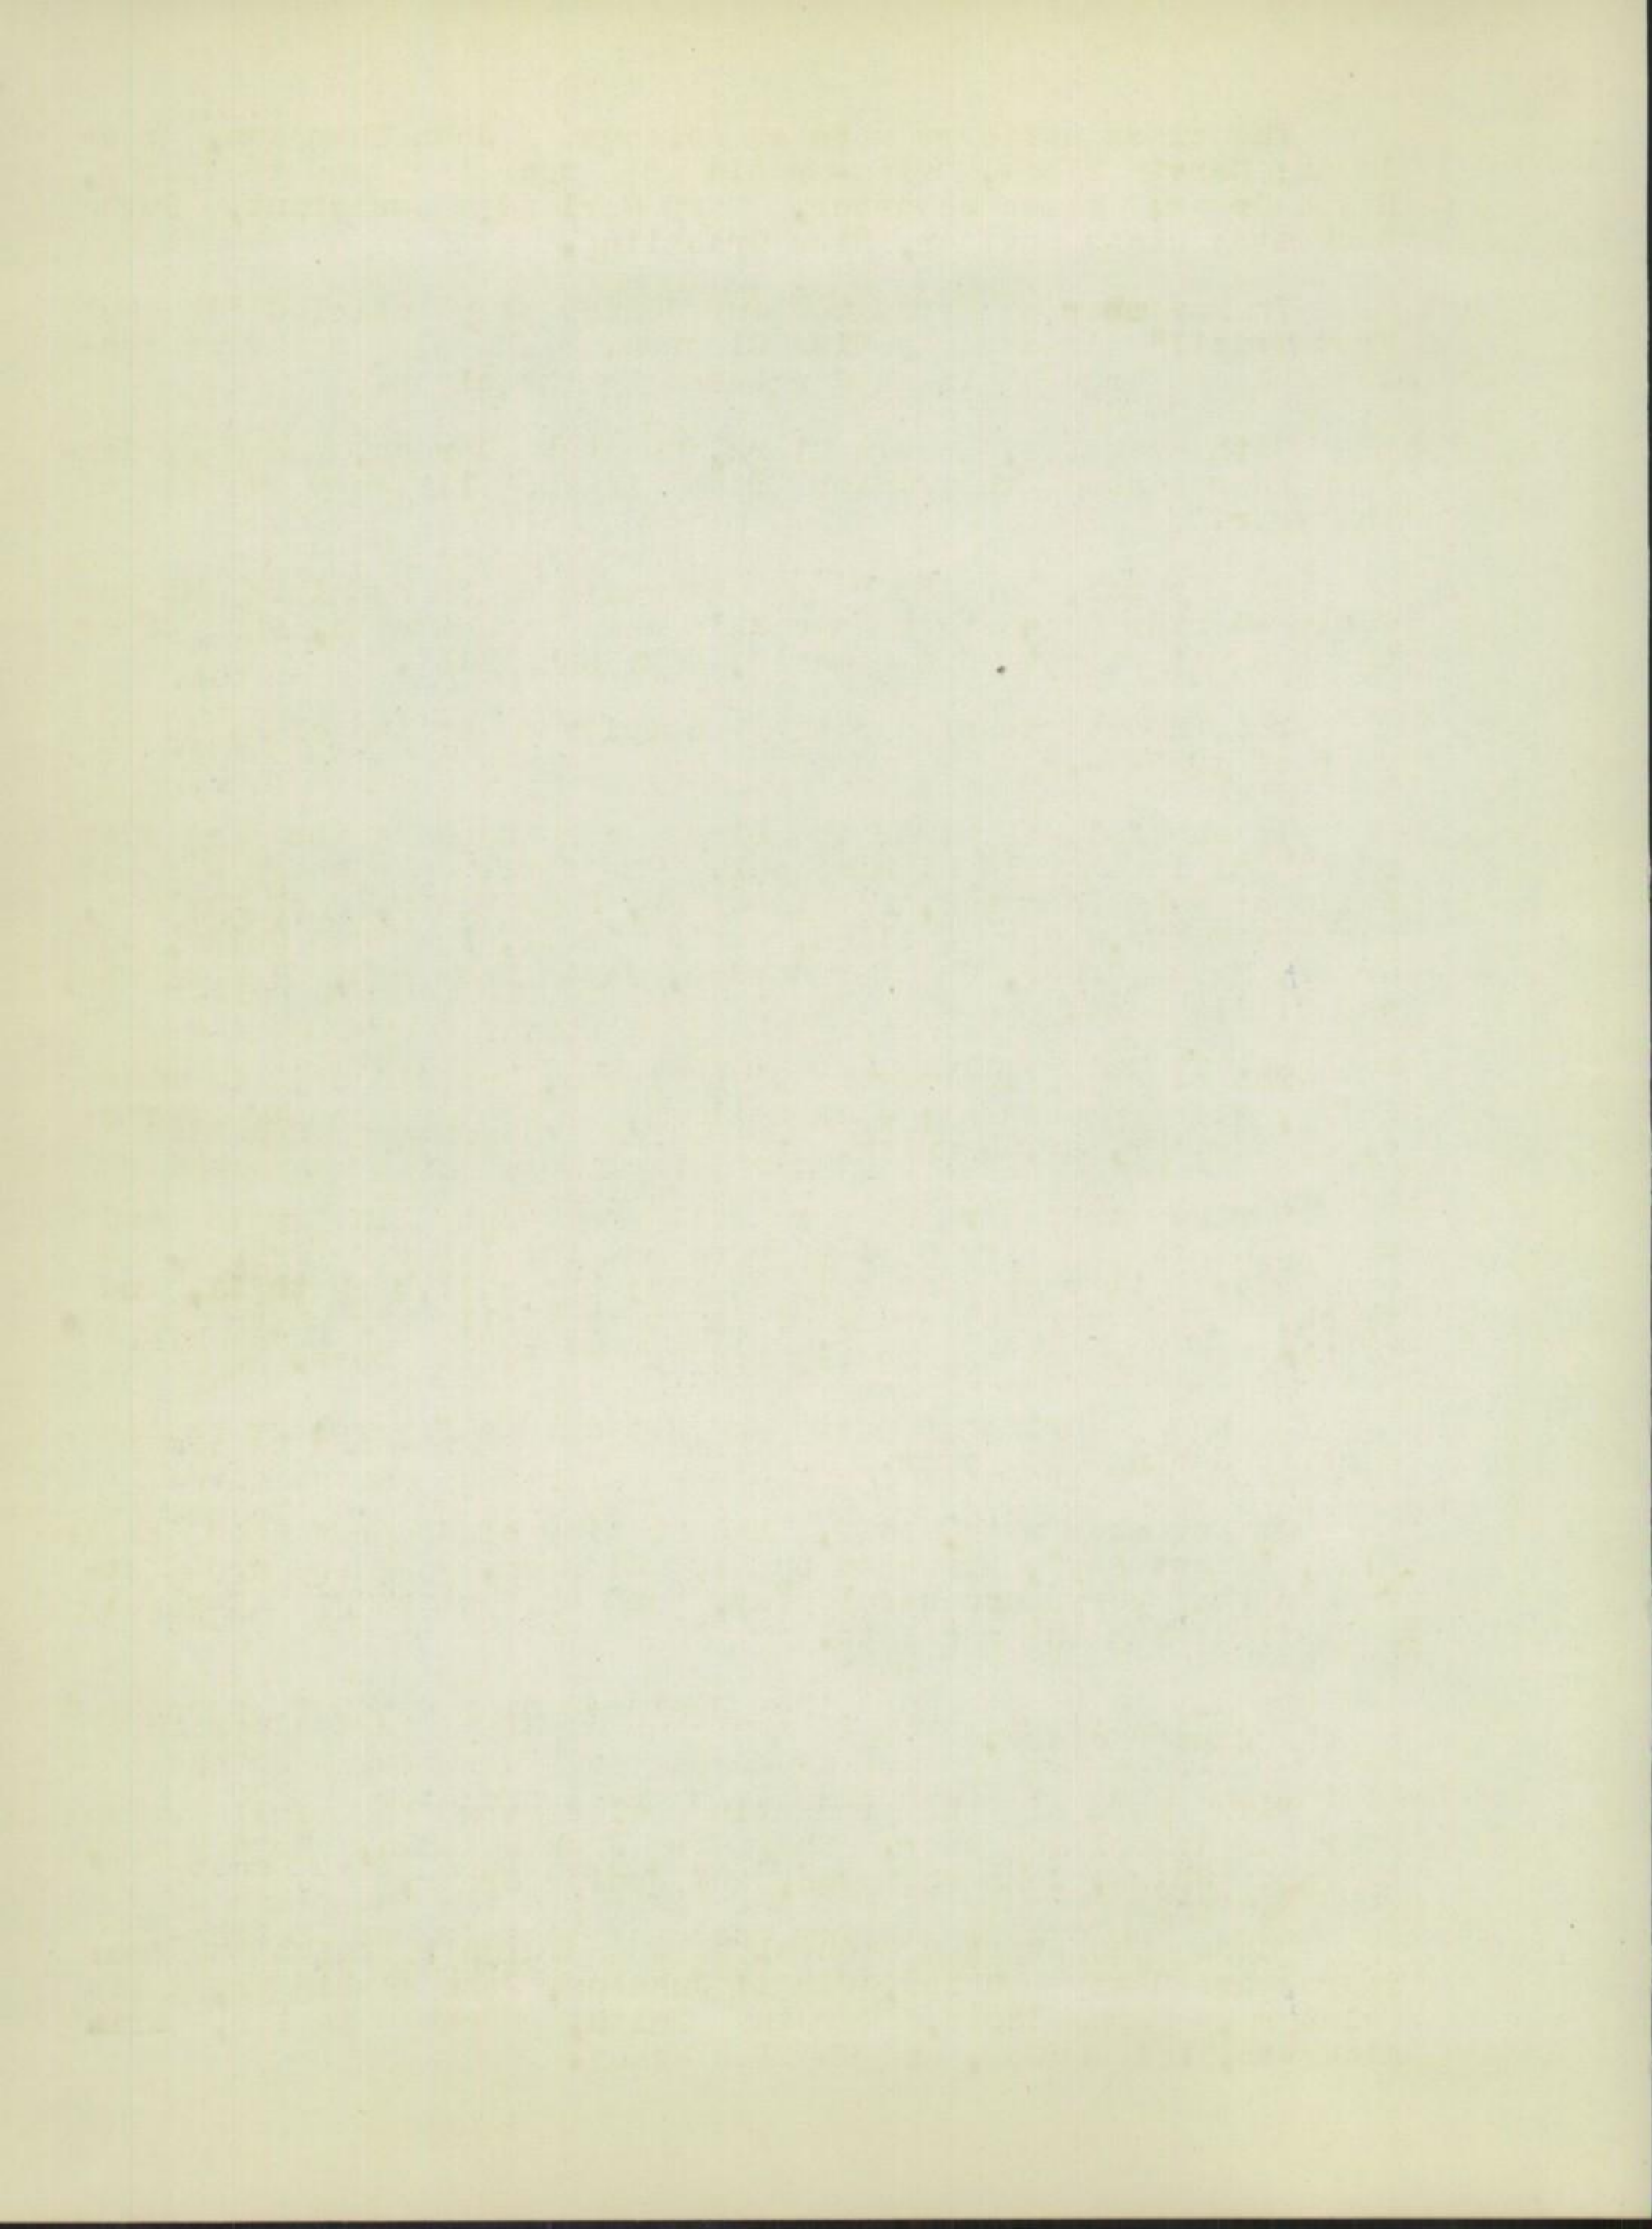

We had a Christmas party and attended a few roller skating parties during the year.

On November 30th, 1939, the senior class presented their play, "Smart Boy", directed by Miss Clauson. A large crowd attended the very successful play, and the class was extremely satisfied with the receipts.

On May 10 we attended the Junior-Senior Banquet sponsored by the Junior class.

Five boys of the graduating class went the full twelve years of school together. They were Jack Keilman, Boyd Henry, Lawrence Shiko, John Thompson, and Junior Greer.

Those who started school here and didn't finish the four years were Betty Douglas, Virgil Johnson, John Kessinger, Zella McIntyre, Norma Scott, Dorothy Smith, Martha Kugler, Orin Ricketts, Lyle McCaw, and Charles McKay.

SENIOR CLASS PROPHECY

As the great ship "Occupation" pulled into dock in the year 1950, Mr. Renwick, who was standing on the dock in New York, saw the following people coming down the gang plank. He had a pleasant chat with each one and found that:

Glen Blythe is happily married to Pauline Carwile, a beautiful little Monmouth girl. Glen is now selling paint for the Pittsburgh Paint Co. He has provided a very comfortable home for her (they are living with her parents). There are twelve little "fillies" running around over the streets of Monmouth. (Incidentally, they all have long legs. This couldn't possibly be an inheritance from their father.)

Marvin Clark, who is now living on a farm near Seaton after taking a course in agriculture and is doing nicely. He has married a former Seaton girl and has a big baby boy.

Chester Gordon, who has just bought the largest roller skating rink in the world, holds the trophy for being the best skater, and he challenges anyone to get his title.

Boyd Henry is now the successful proprietor of "Hotel Henry", Seaton, Illinois. He is leading a quiet henpecked life with his wife and three little Henrys.

Jack Keilman is now a straw boss in a Diesel plant in Peoria and has a nice looking class of 240. Jack and his Harriet have purchased a beautiful home on one of those hill tops out in the suburbs of the town.

Bob Greer has completed a mechanics course and is now working in California as an airplane mechanic. He receives very good pay, working on the large transports out there.

Clarence Greer is now using his business education to a great advantage in his position as president of the Trust and Savings Bank in Chicago.

James Howard Unsworth is now the dancing instructor in Vassar College and has 89 students in his class. He has married the Dean of Women and has a small daughter.

Lawrence Shike is now teaching school in a large eastern university and his basketball squad are the champions of the state. He is also happily married to a former Keithsburg girl and the father of a fine boy. Lawrence, Jr.

Mary Garland has received a high position teaching little Negro boys down in Alabama. We are sure she will enjoy this as this is what she has always wanted to do.

Ruth Ricketts is now employed in the Hollywoods Beauty parlor. It has been rumored recently that she is engaged to Mickey Rooney to whom she gave his first permanent in an unsuccessful effort to improve his homeliness.

Harlan Hayse Greer is happily married to an important girl from Keithsburgh and is living on a farm north of Seaton.

William Root has just finished a course in a business college and is using the knowledge obtained to help him farm his big ranch, with his father. There has been a rumor that he has ceased to think that life is better as a bachelor and has decided to add another member to the partnership, namely Miss Ruth Ricketts.

John Thompson, better known as "Azz" the Son of Will, has got a permanent job picking strawberries on the Wilson Brock 500 acre strawberry farm.

Mr. Shelton is now teaching a large class in Physics in the University of Chicago.

Miss Bergman is now considered the best of commercial teachers in the state and her team has taken the state honors in that field.

Miss Graehling is now the loving wife of a prosperous painter in the community of Seaton and is the proud mother of twins. Guess who!

Mr. Renwick, by the way, has given up teaching and has taken up professional bridge playing. He is now classed as one of the leading authorities on the game.

JUNIOR ACTIVITIES
(Class Advisor--Miss Graehling)

The Junior Class started the year with a small crew of only seven members but sailed along very smoothly and finished the year with all seven mates aboard.

In the fall they elected their class officers which were as follows:

President	Willard Greer
Vice-President.....	Martha Ranney
Sec. and Treas	Evelyn Shike
Student Council	Everett Shike
News Reporter	Evelyn Shike

The juniors sponsored several different activities during the year in order to make money for the Junior-Senior Banquet which was held on May 10, 1940. The first program which they sponsored was put on by a magician, "Chasan". He presented his program on October 25th. They sponsored two skating rink parties. One was on September 25th at Alodo and the other at Monmouth, March 1st. They also sold candy at the basketball games. Their biggest event of the year was the Junior Class Play which was presented April 5th. The name of the play was "The Tangled Yarn". They were very grateful to the Sophomores who helped them by taking the extra parts. Those helping were Esther Clark, Maxine Van Eaton, Rosamond Chandler, Richard Griffith, and Howard Shike.

Those juniors keeping the library and office for one period each day were Roberta Amy, Evelyn Shike, and Martha Ranney.

When the seniors presented their play, "Smart Boy", Martha Ranney and Evelyn Shike each had a part in it.

The boys of the junior class didn't take a very active part in sports. Everett Shike went out for track.

Evelyn Shike and Martha Ranney were the cheerleaders for the basketball team.

JUNIOR JOKES

Mr. Renwick: Some men thirst after knowledge.
Some men thirst after wealth.
Some men thirst after fame.
Everett, what is something else that men thirst after?
Everett: I'd say salted peanuts.

* * * * *

Bobby: I saw a strange sight the other day.
Gortie: What was it?
Bobby: A mother kangaroo crying.
Gortie: But what was she crying about?
Bobby: Her baby had skipped out and left her holding the bag.

* * * * *

Evelyn: Do you know why the two little ink spots were so sad?
Martha: I give up, why?
Evelyn: Because their mother was in the pen filling out a sentence.

* * * * *

Bill: Say, am I brave! The other day at the zoo a lion came straight at me. He stopped about three feet from me. He pawed the ground and roared; then he started coming again. Closer and closer he came. I could hardly breathe and I could feel his hot breath on my neck as he was roaring louder.
Bobby: Goodness what did you do?
Bill: I walked away from the cage.

* * * * *

A Keithsburg friend seeing something in the field: I thought all cows had horns. Why doesn't she have them too?
Allen: Some cows are born with horns, some cows are born without horns, and some cows have them sawed off. But the trouble is she isn't a cow, he's a horse.

SOPHOMORE ACTIVITIES
(Class advisor--Miss Bergman)

As school began the sophomores were well represented by a class of fourteen. The first activity was a class meeting held for the purpose of electing the following class officers:

President.....Estalene Dye
Vice President.....Richard Griffith
Sec. and Treas.....Pat Greer
Class Reporter.....Rosamond Chandler

The sophomores initiated the seven freshmen at a weiner roast on September 18. The freshman girls wore their dresses wrong side out and carried a mail order catalog. The boys not only wore overshoes, but also rolled their pant legs above the knees. Both the boys and the girls had their faces smeared with lip stick.

On November 3 the sophomores and their guests enjoyed a party at the home of Rosamond Chandler. Games were played until refreshments were served by the "eats committee".

A farewe ll party for Fairy Belle and Rolland Michael was held at the school house on November 11.

Members of the class who are out for declamation are as follows: Estalene Dye, Esther Clark, and Rosamond Chandler.

Richard Griffith, Howard Shike, Esther Clark, Maxine Van Eaton, and Rosamond Chandler are in the junior play, "Tangled Yarn".

Estalene Dye was in the senior play, "Smart Boy".

SOPHOMORE HASH

Listen my children and I'll tell you a tale
Of a bunch of kids who'll never fail.

First there's "Dickey" that lovable boy,
Who is the Sophomore's pride and joy.

Next is "Harley" the red haired lad,
Who like "Dickey" is seldom bad.

Six foot "Eddie" Dye we surmise
Has a certain failing for big blue eyes.

Then Estaline that lovable lass
Is the "A" plus student of our class.

Remember "Lou" for when she speaks
She's sure to talk about Everett Weeks.

Blue eyed Esther has but one dream,
To sit on a cushion and sew a fine seam.

Then there's "Plush" who likes to play
When the honorable Mr. Cat's away.

"Dong" Merideth is our ideal Romeo.
He's hankerin' for a wife who can cook and sew.

Then comes "Max" with a heart of gold.
When she rolls those eyes she knocks 'em cold.

"Rosies the gal with the great big voice.
She lines them up and takes her choice.

"Tank is always with the gals.
He's one of Mr. Renwick's history pals.

Black haired "Doug" has lots of fun.
When the teacher appears, watch him run.

"Pooker" Pepper with the languid speech
Is the little forward with the mighty reach.

Gale Meyers says with a drowned out sigh,
"It's hard to sit when noon grows high."

Don't forget "Pat" the little "shrimp",
Because she's a most mischievous imp.

23rd Psalm

Mr. Shelton is our teacher;
We shall not want.
He maketh us to study at all times;
He leadeth us into deep subjects.
He restoreth us with new assignments
He leadeth us through each day's tasks for our own sake.
Yea, though we walk through the halls each day,
We fear no evil, for others are with us;
Our books and pencils do not comfort us.
He prepares a test for us when we least expect it;
He ancinteth our report cards with red ink;
They runneth over with incompletes.
We suppose dumbness and thoughtlessness
Shall be with us all the days of our lives,
And we shall dwell in the Seaton High School forever.

SENIOR PLAY

The three-act play, entitled "Smart Boy", written by Dana Thomas, was chosen for its splendid character delineations which gave each member of the cast an opportunity to display his talent. The play was full of delightful situations which arose when Jimmie Hardwicke, a small-town boy, invented a romantic background for himself from a very colorless past. Having laid claim to being the sweetheart of a famous Hollywood star, he suddenly found his life horribly complicated when she arrived at the hotel where Jimmie lived with his aunt and uncle.

After blundering through several rather embarrassing situations and being fired and hired and then fired again by his employer, Nat Gill, Jimmie was able to clear matters up. In the end, the Hollywood star, Leslie Saber, fell in love with Jimmie. Then Jimmie, who was a play-writer, was hired by Leslie's manager to write her next play, and all were happy.

JUNIOR CLASS PLAY

The Junior Class Play was presented April 5th. The name of it was "The Tangled Yarn" (A comedy in three acts)

The story of the play was about Camilla Page, her cousin, Vivian Page, and their friend, Cora Blake, who shared an apartment and food, when they had it. Their situation had become very desperate until Alex Lawton called to inform them that Camilla had won a \$5,000 award offered by his magazine for the ideal mother. Camilla had borrowed a costume and wig from Sadie Stringer, who lived upstairs, and has sent in the picture of herself as the "ideal mother", together with a pathetic history of a deserted wife who struggled to raise her children, Camilla, Cora, Vivian, Stuart, and "Pinckney", who died a hero in the war.

Stuart Brand, like the other two girls, thought that Camilla's yarn was all right until it became seriously tangled. His mother arrived to tell him that he wasn't going to get his allowance since he was claiming Camilla as his mother. Then things began to happen very rapidly. Speed Martin, a newspaper reporter, begins to suspect things. Joshua Page, comes into the scene and claims to be Camilla's husband. People begin to claim the girls as their daughters. Things are very complicated and Mrs. Morrison suspects something wrong and demands an investigation. Everything ends perfectly. Vivian wins Stuart from Camilla, Cora finds Speed Martin just too sweet, Camilla wins Alex Lawton, and Sadie Stringer walks off with the prize, "Joshua Page" whom she recognizes as her long lost Claudius.

LITERARY

When the call was issued for literary contestants this spring there were perhaps seven who answered it. Of these, only four finally ordered a declamation or oration, and learned it. Due to the insufficient number who were out for the literary events, there was no local contest, except a dual contest between the two girls in the humorous declamation division. These two were Esther Clark and Estalene Dye. Esther earned the right to represent the school at the County Speech Contest at Joy on April 27.

The four out for literary and their readings were as follows:

Mary Garland Girls' Oratory	"Challenge to American Women"
Esther Clark Girls' Humorous	"With the Photographer"
Estalene Dye Girls' Humorous	"China Blue Eyes"
Marvin Clark Boys' Oratory	"Builders of Destiny"

Of these four, the three who represented the school in the county contest did very well. Mary Garland placed second in her division, Esther Clark placed third in her division, and Marvin Clark placed third in his division.

Although no local contest was held at the high school to determine who would go to the county, we did have a special assembly to give the speakers practice before they went to the county. Both the high school and the grade school attended this assembly.

The contestants who placed in the county received medals for their ability. Mr. Renwick presented these medals to them on the morning of May 20, 1940.

Commercial

The Commercial team made a very good showing in the commercial contests this year. The first contest was held at Biggsville on March 27, five schools taking part. Seaton placed first in the bookkeeping event, and Boyd Henry was first individually.

Nine schools were represented in the District contest at Keithsburg on April 13. Once again the bookkeeping team did very well, and they won second place. The typing team did much better in this contest and tied for third place. In the individual event Junior Greer placed second.

Taking second place in the District contest allowed the bookkeeping team to qualify for the Regional, held at Monmouth on April 27; however, the team didn't place.

The contestants and their events were as follows:

Bookkeeping: Junior Greer, Boyd Henry, Lawrence Shike;
alternates: Marvin Clark, and Hayse Greer.

Typing: Junior Greer, Boyd Henry, Glen Elythe; alternates: Hayse Greer and Lawrence Shike.

Spelling: Marvin Clark

BASEBALL

When the baseball team met this year they were confronted with the problem of making a new diamond. Greer at second, Griffith at short stop, Shike at third, Clark at left field, H. Greer at center field, and Henry at right lost their first game at Matherville 8 to 1. Seaton beat Joy 11 to 9 at Seaton and lost another game to Matherville at Seaton 20 to 8. Seaton lost their last conference game to Joy at Joy 14 to 7. A freshman-sophomore team beat Joy in a non-conference game at Joy, and the varsity team also beat Joy at Seaton to wind up the baseball season.

BASKETBALL

On October,, 16 boys reported for practice in the gymnasium and Coach Shelton started to teach them the fundamentals of basketball. The freshman boys out for basketball were James Davis, John Davis, Leonard Gordon, and James Kernan. The sophomore boys were Richard Griffith, Howard Shike, Edwin Dye, Ward Douglas, Lawrence Pepper, and Rex Welch. Those representing the senior class were Glen Blythe, Lawrence Shike, James Unsworth, Chester Gordon, Jack Keilman, and Hayse Greer. Frank Henry was the manager of this year's team.

At the beginning of the season the line-up was as follows: Forwards, Lawrence Shike and Richard Griffith; center, Glen Blythe; guards, Chester Gordon and Hayse Greer. Jack Keilman and James Unsworth were the substitutes. They won 8 games and lost 2 with this lineup. Then Chester Gordon was operated on for appendicitis and was forced to leave the line-up for the rest of the season. Jack Keilman was moved to the guard position, and with this line up they finished the season with 20 games won and 5 lost, taking third place in both the District and County Tournaments and winning the Little Nine Conference title.

The second team with Edwin Dye at center, Lawrence Pepper and Howard Shike at forwards, and Rex Welch and James Kernan at guards had a good season winning 12 games and losing 3.

On March 8, 1940 the Basketball Banquet was held in the Presbyterian Church honoring the teams of '39 and '40. The program consisted of the "Faculty Five"--songs, and speeches given by Dale Armstrong, Floyd Carlson, Jack Keilman, Harold Shike, and Coach "Shorty" Almquist. Letters were awarded by Coach Shelton, and Captain Millikin of the Roosevelt Military Academy awarded the team with the Little Nine Trophy which they are entitled to keep for one year.

GIRLS' PHYSICAL EDUCATION

G.A.A.

The Girls' Athletic Association has been organized for four years. We are under the supervision of Miss Esther Bergman. The officers for this year are as follows:

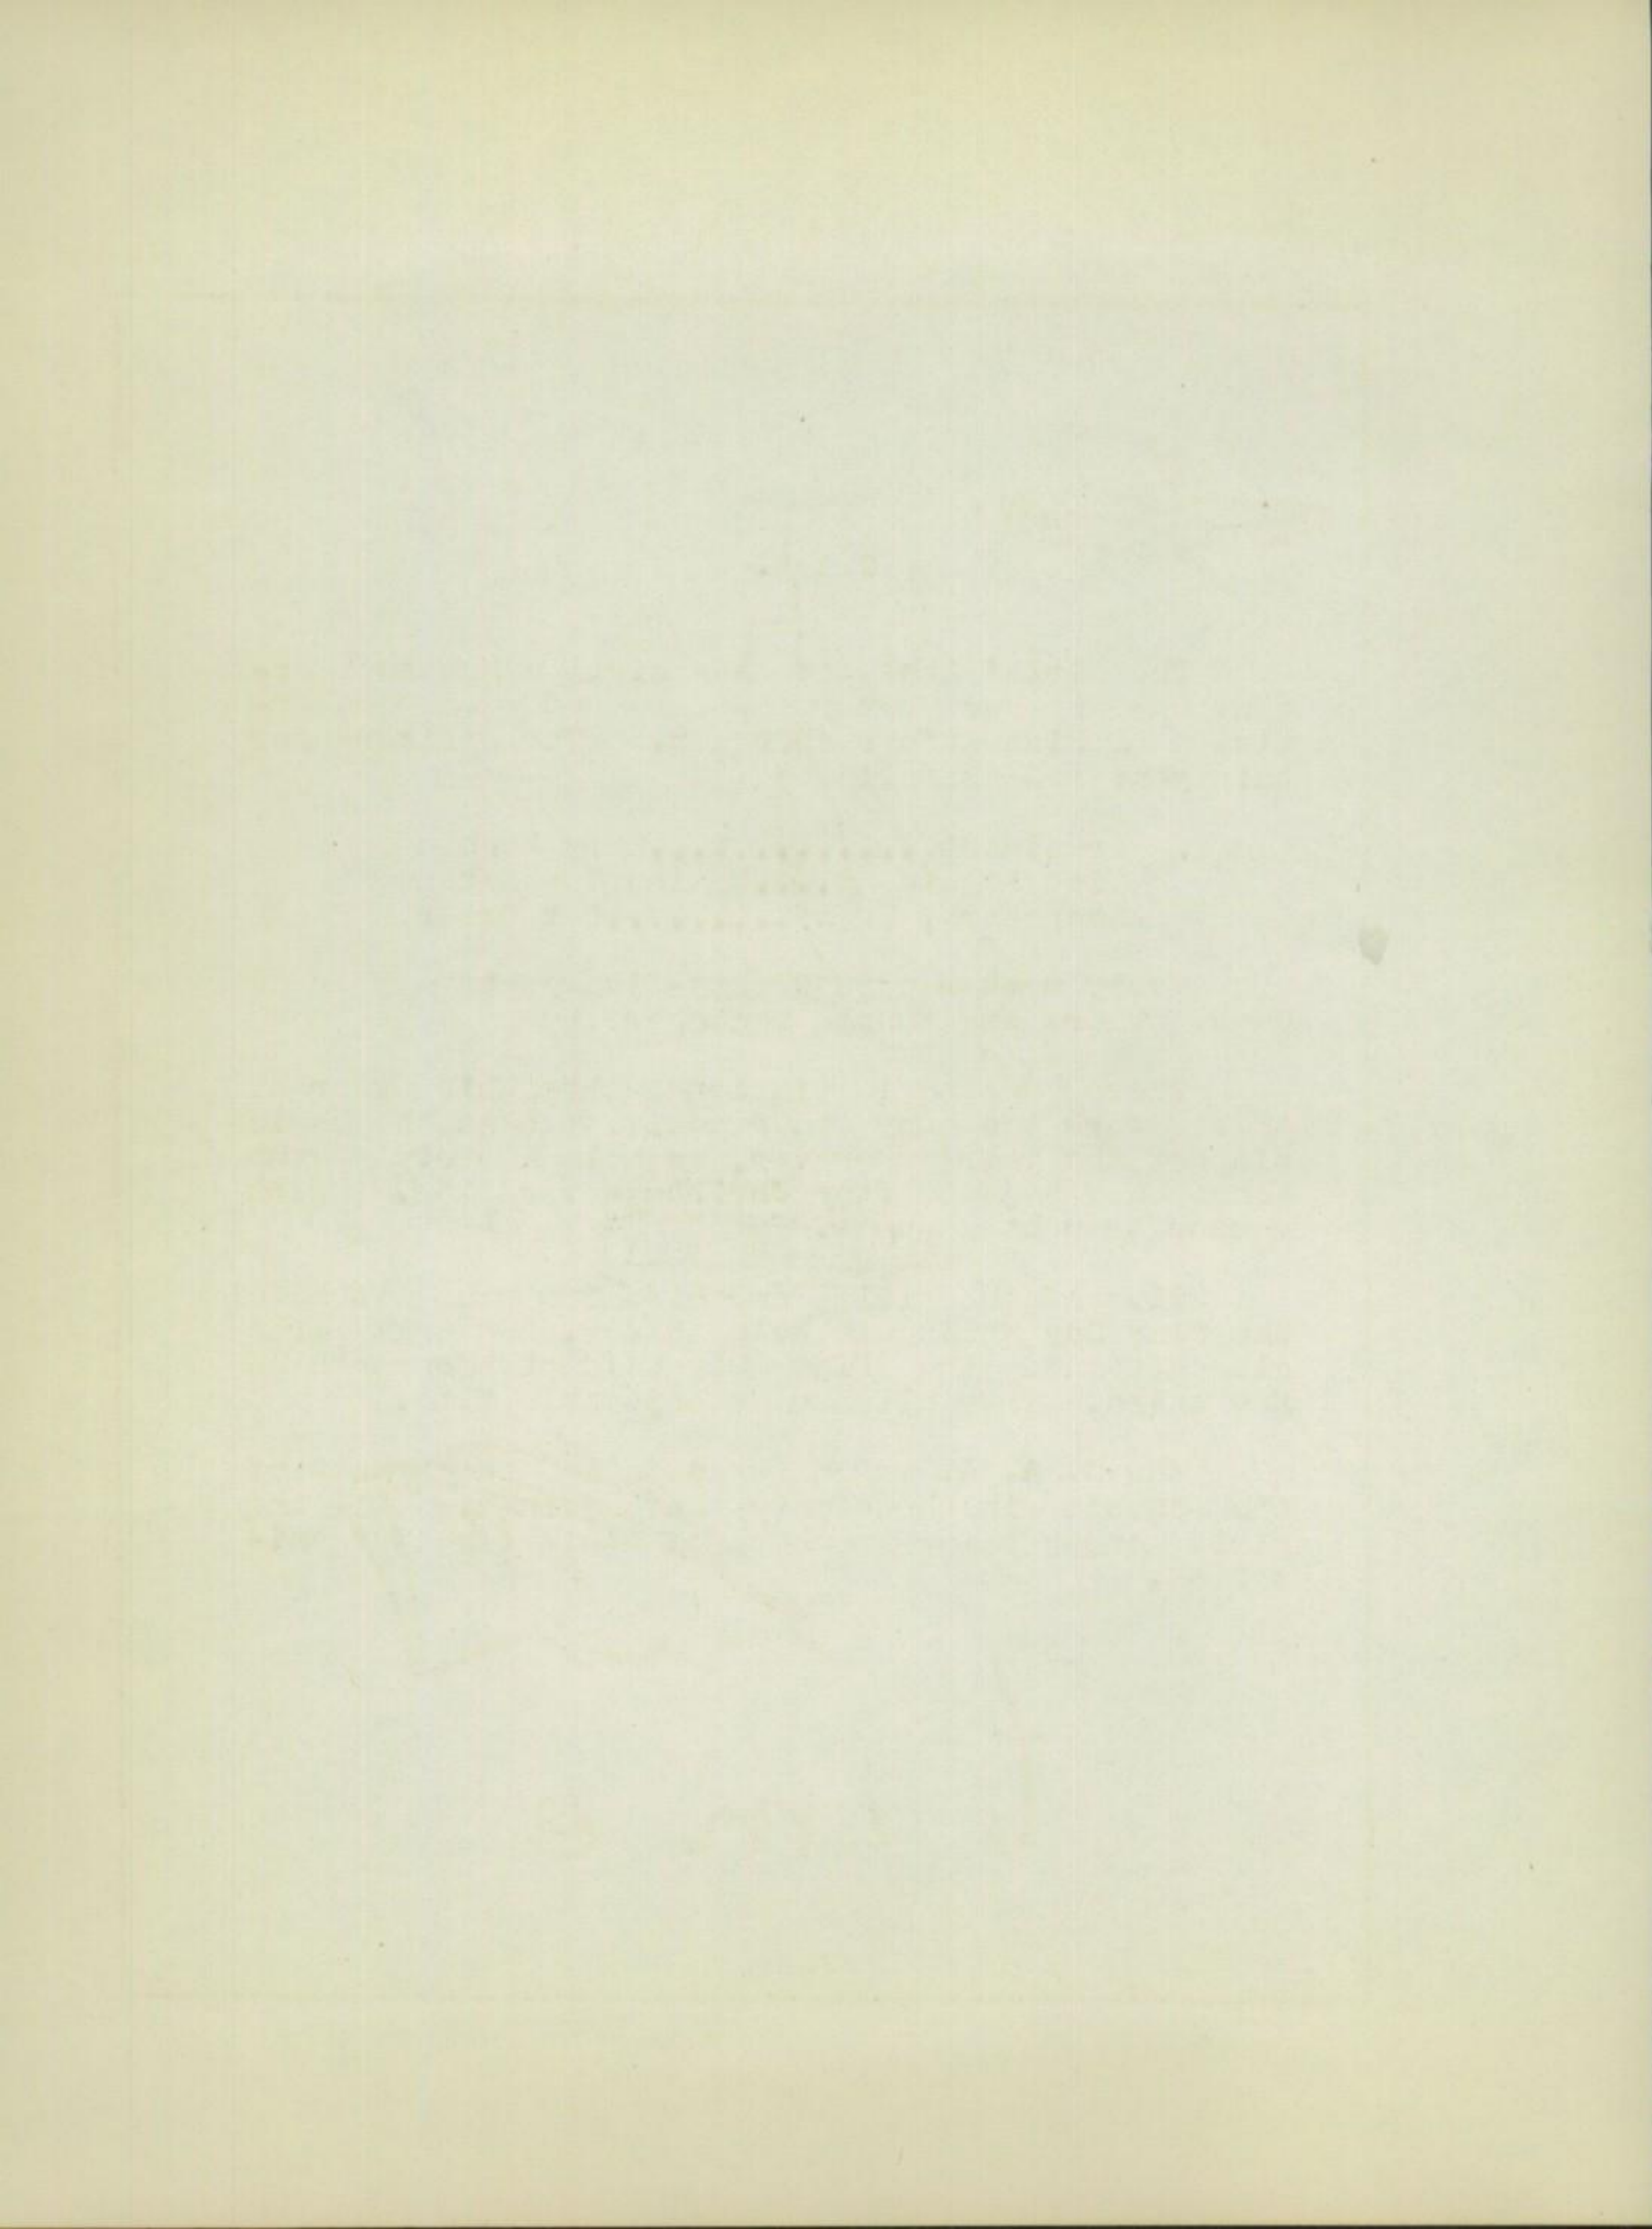

President.....Mary Meehan
Vice President....Maxine Van Eaton
Secretary, Treas.....Pat Greer

Every member pays twenty-five cents a year as dues. There are fourteen members.

There was no initiation party this year as there were too many other activities at the beginning of the year; however, we held a party at the school house just after Christmas vacation. Each member brought a guest.

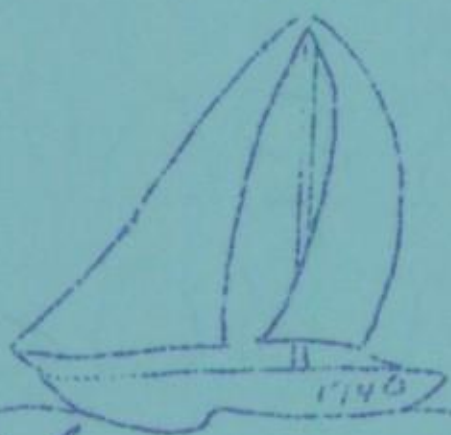

Five of the girls and Miss Bergman attended the Play Day which was held at Joy. Several girls also attended the Play Day held at Monmouth on May third. They all had an enjoyable time.

The G. A. A. is an organization which most of the schools in the county have joined. All the girls enjoy being members of this fine organization.

JUNIOR HIGH

The year of 1939-40 began with an enrollment of fifteen pupils, seven in the eighth grade and eight in the seventh.

During the year we held a number of parties, the first being a weiner roast in Mr. Van Eaton's timber. We also enjoyed room parties on Halloween, Thanksgiving, and Christmas, with our Nature Study Club, we went on a field trip.

We have taken part in all of the programs presented this year, having assisted in a community program, in the Christmas play, and in the grade school operetta, "Punch and Judy".

The year has been an active one for boys' athletics. After a successful season, the Seaton grade school team won first in the Mercer County Invitational Tournament at New Boston. The boys from our room who played on the winning team were Dwight Welch, Captain, Daniel Sims, Donald Dye, Jack Greer, Kenneth Shike, Bill Sims, Charles Heisler, Dick Gladson, and Carl Kernan. Miriam Keilman was one of the cheerleaders. We also have a track team and hope to repeat the success of last year.

Those in the eighth grade who will be graduated at the Commencement the last of May are: Anna Belle Blackman, Donald Dye, Charles Heisler, Audrey Meyers, Daniel Sims, Eileen Wadleigh, and Dwight Welch.

It is a pleasure to have you here, and I hope you will find the work of the University of Chicago interesting and profitable.

The University of Chicago is a place where the highest standards of scholarship and research are maintained, and where the most distinguished scholars of the world are gathered together.

THE INTERMEDIATE ROOM

Perhaps our greatest pleasure this year of our Intermediate Room has been just playing its part in making Seaton School the best school possible. The following diary excerpts, however, tell something of our room activities.

September 1939

We are starting on our "Trip Around the World. We are looking for likenesses and differences in the ways of living of the people, in the occupations, and in the contributions to the world of the different countries. We also want to find reasons for the existing conditions. We hope to make many friends.

October 1939

We have kept diaries of our trip, collected pictures for our scrapbook, and now we are working on our paper so the folks at home will know about our travels. We have named our paper "The Flying Messenger". Every month hereafter we plan to issue it.

Our new World Atlases have made our trip very interesting. Our Halloween party was so much fun. Some of the girls dressed like girls of other lands.

November 1939

We are all back home in our own native land in honor of American Education Week. We have invited our mothers to a program in which we plan to tell them about our trip.

December 1939

"Old Scrooge" is giving us the spirit of Christmas. We are working with the other rooms on our Christmas play, "The Christmas Carol".

January 1940

The bells have rung, vacation is over, and we are beginning a new year. How kind you are, New Year, to surprise us with your big snow storm and more vacation! You are just, as well as kind, for we must have well planned English talks about the fun we had during our week of no school.

February 1940

The fourth graders with the help of the fifth and sixth grades are planning a program of original talks, poems, songs, and plays which show what they have learned about "Wheat" from the time it helped to tame man to the present means of production. How wonderful is a grain of wheat.

We must pause, for at least a day, while the Achievement Tests "check" our progress.

March 1940

We have been studying about "The Stars and the Planets". As we learn about the heavenly bodies we discover our earth is a very small part of the great universe.

We have brought our diary up to date. In April we plan to work with the other rooms on the operatta, "Punch and Judy", which is to be given in May.

It is a pleasure to have you here. I hope you will find the work of the University of Chicago interesting and profitable. I am sure you will find it so.

PRIMARY ROOM

The Primary Room began the year with an enrollment of 18. We had 9 first graders, one second grader, and 8 third graders.

The room celebrated the holidays with a party. On Halloween we pinned the cat's tail on and played several Halloween games. At Christmas we had an exchange of gifts. On Valentine's Day we had a valentine box which the third graders had decorated. We had twelve little guests that day. They were the little folks of the community. The Friday before Easter we had an Easter-egg hunt.

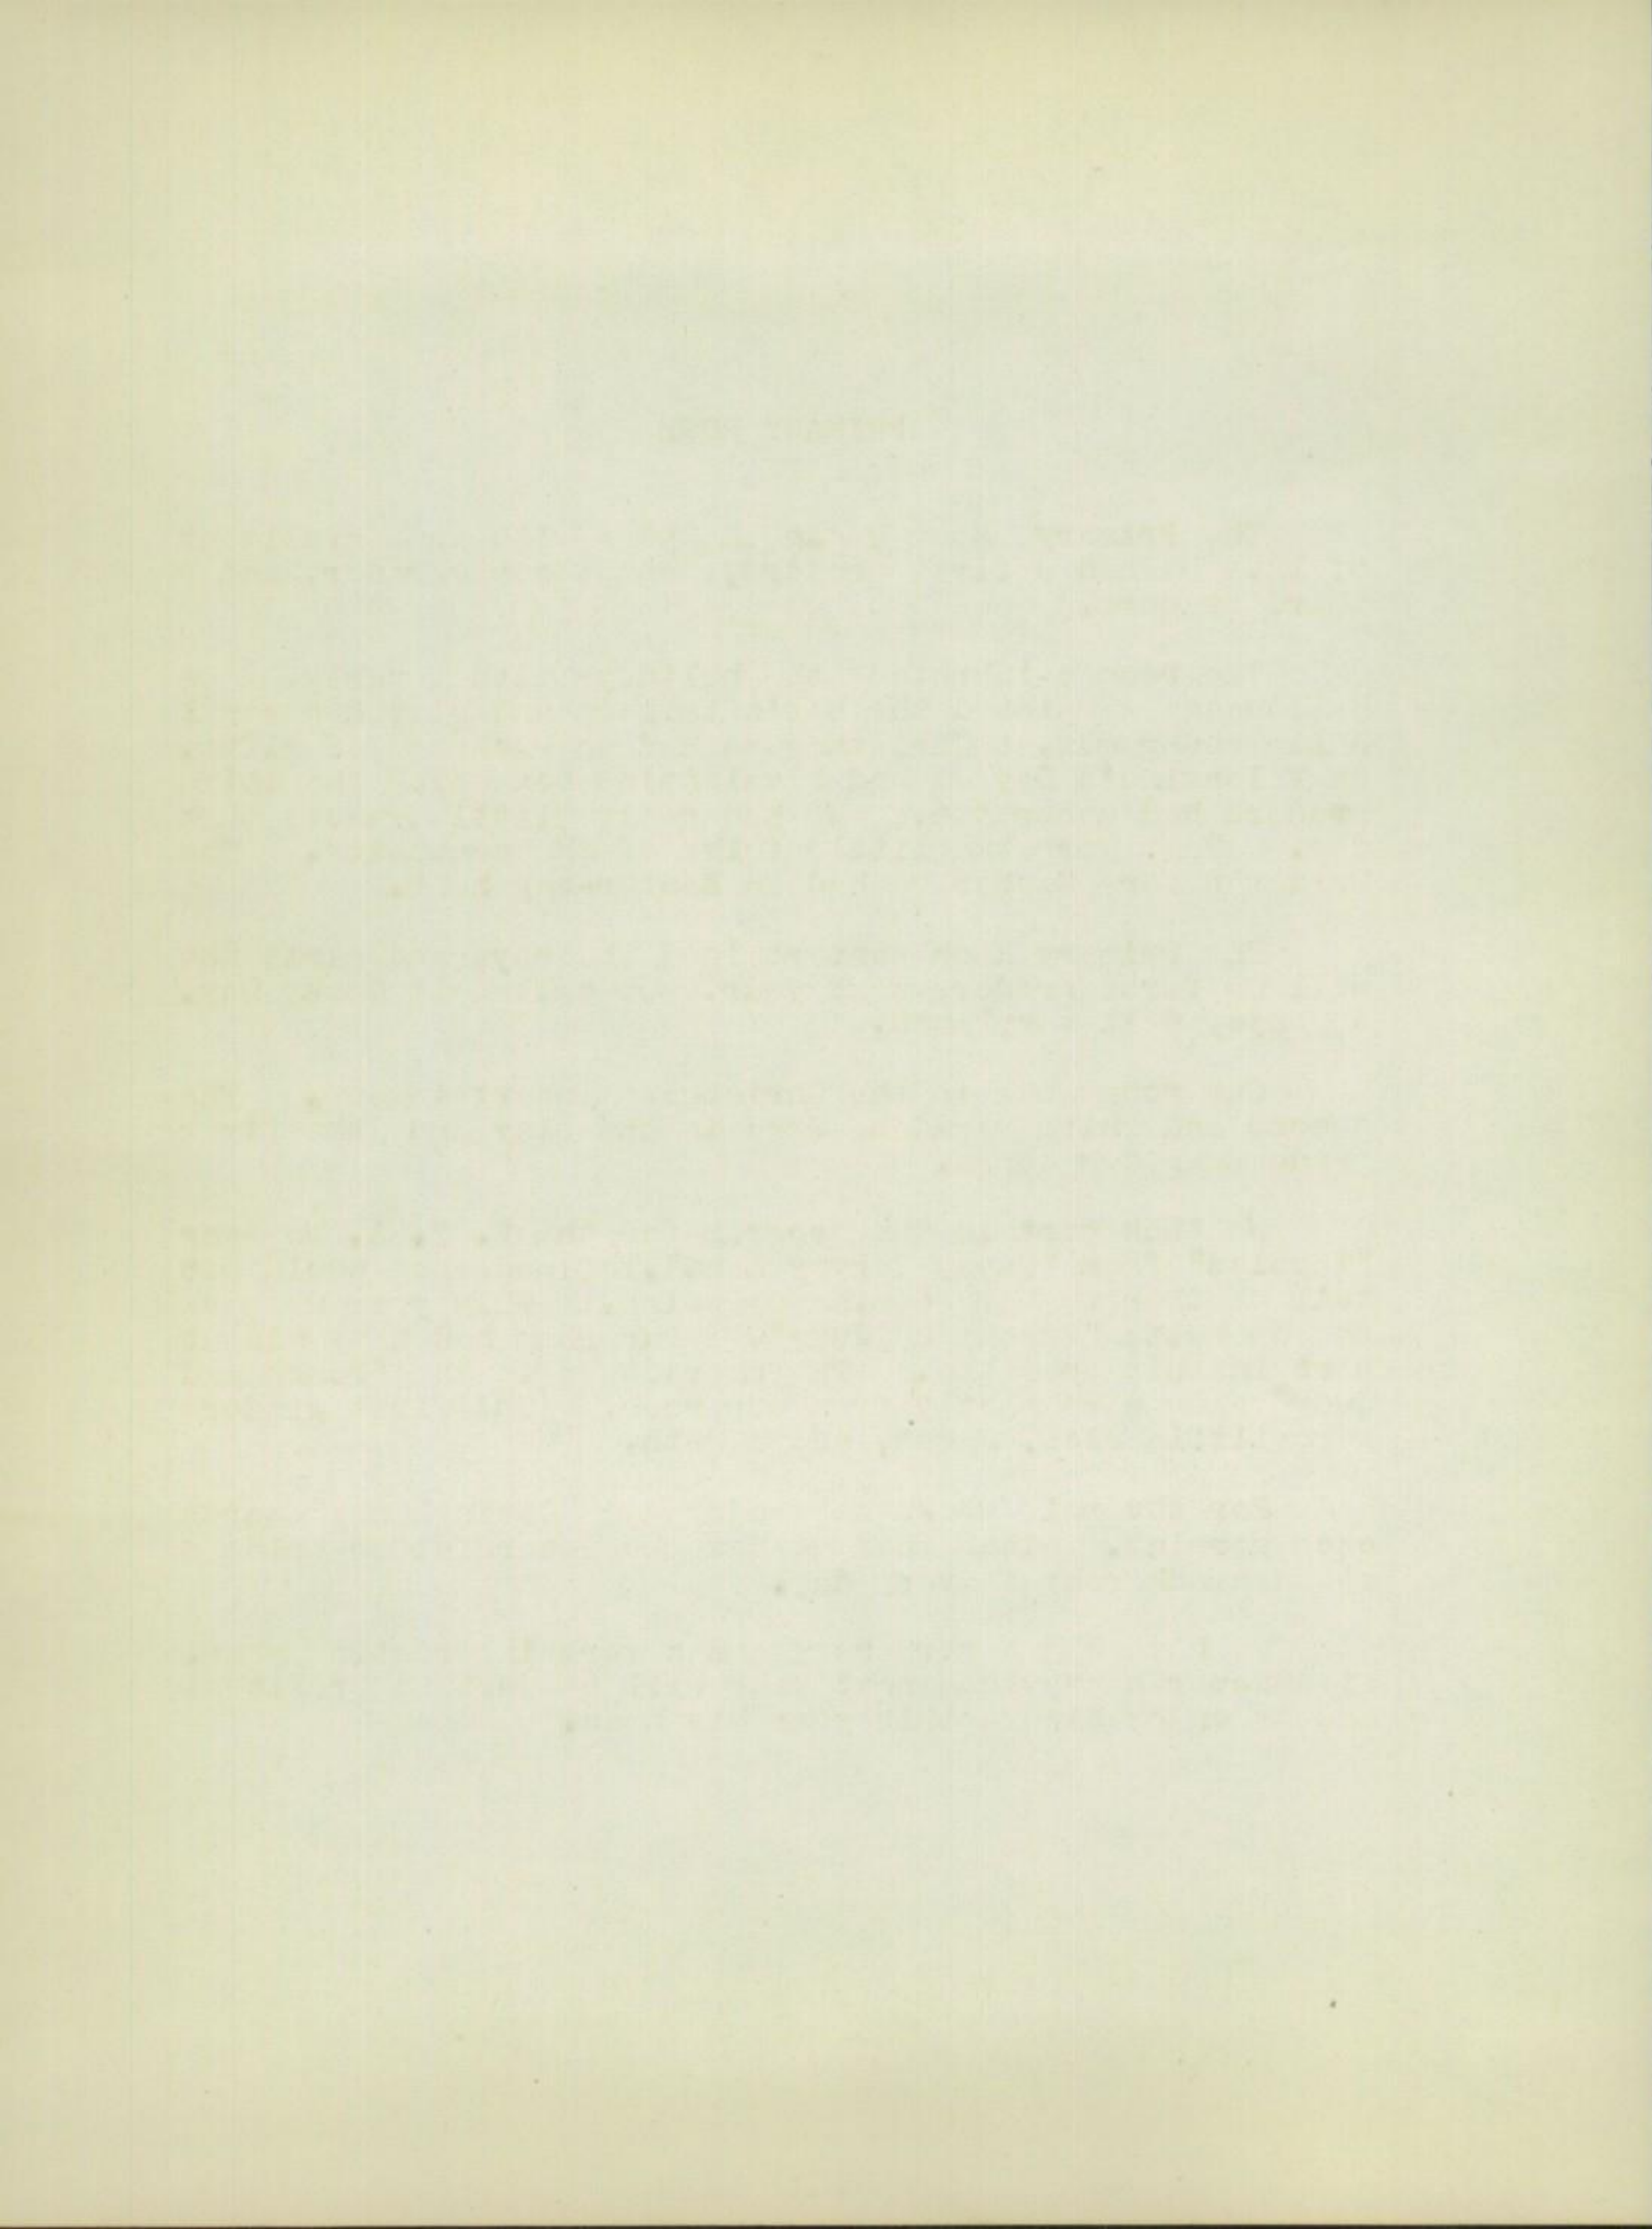

The Primary Room entertained the boys and girls who will be first graders next year. We called it Cooky Day. We enjoyed it very much.

Our room was in the Christmas entertainment. The second and third graders were in the play and the first grade sang two songs.

We took part in the program for the P. T. A. We sang "Topsies" from "Topsy Turvey Land". The audience could not tell whether we were coming or going. This year we gave the operetta "Punch and Judy". Our room had a prominent part in this operetta. The characters in the "Punch and Judy" show were mostly from our room. The first graders were little mice, a bat, and a moth.

For several weeks we enjoyed a "Clean Hanky" march each morning. Since then we have been careful to bring a clean handkerchief every day.

We have had a very busy and a very interesting year. Miss Weaver hopes that next year will be just as profitable and as enjoyable as this year has been.
